3. Fees once paid will not be refunded or adjusted under any circumstances.

4. The dates mentioned in Serial No. VII & VIII are the deadlines by which the board should receive the respective inputs.

5. Students who are ineligible but appear for the examination for any reason will forfeit the examination fee paid, and their examination will be cancelled.

6. Mere payment of the examination fee does not guarantee the issuance of a hall ticket. Issue of hall ticket is subject to fulfilment of eligibility criteria.

8. Candidates can download their hall tickets one week before the commencement of the examinations.

Note to Principals:

a. All Principals are requested to instruct the HODs concerned to thoroughly verify hall tickets, considering all parameters, before signing them.

c. Practical examinations should not be conducted after the last working day until the conclusion of theory examinations. Students should be given time to prepare for their theory exams, thereby improving their performance and overall pass percentage.

d. Presumptive attendance is to be calculated solely to facilitate the payment of the examination fee by the students. However, the Heads of Sections must be informed that the issuance of Hall Tickets is strictly subject to the final attendance recorded and posted by them only. Presumptive attendance is not to be considered as a criterion for issuing Hall Tickets.

e. It is mandatory for all V semester students to pay the certificate fee, regardless of any backlogs they may have. Hall Tickets will not be generated for students who fail to pay the certificate fee.
